Almighty God,
by the prayer and discipline of Lent
may we enter into the mystery of Christ's sufferings,
and by following in his Way
come to share in his glory;
through Jesus Christ our Lord. Amen

Give thanks for answered prayer: and please pray for:

Returning to Church – some members of the PCC met briefly last week to begin to think about returning to worship in person in church. The intention is to return before Easter, subject to any change in circumstances and we'll confirm the date as soon as we can. We acknowledged that we are all, as a nation and individually, now in a phase of recovery which may last many months and which will present challenges. One hallmark of this is the need to accept change and to remain flexible. The PCC felt that this time could be one of rich opportunity where we are open to trying new patterns of services to accommodate both those attending in person and those still choosing to stay safe at home.

Please bear with us during these next few months so we can find the service pattern which allows the maximum number of people to take part and move towards a fixed pattern later in the year, once things are a little clearer. We hope to continue to live stream services whatever. If you have any questions or suggestions please do get in touch with Helen, Jackie or Mike and do remember that we are all learning in this new environment and seeking to do what is best for the whole church and in faithful obedience to God.

Christians Against Poverty are looking for a new debt counsellor and other volunteer help. If you are interested please look at the website for St John's New Malden, where it is based locally - <https://www.sjnm.org/christiansagainstpovertydebtcentre.htm>

WeekendAway after the great success of 2018 and the disappointment of postponement in 2020 we are booked for **15-17 October 2021** at the De Vere Horsley Hotel once again. We are hoping it will be a great opportunity to share time together - circumstances permitting, of course.

World Day of Prayer Service, 5th March – On last week's notice sheet Carole Bourne was offering a local Zoom Service for anyone who would like to join from the Surbiton area. As just five people have responded she thought it would be more sensible to join an existing Zoom Service, the obvious one being the **Salisbury Service at 3pm** on that day. If you are interested, it is recommended that you join the link between 2.30pm and 2.50pm on the day so that everyone can be settled before the service starts.

Here's the **Zoom link**:-

If this time doesn't suit you please email Carole Bourne at cbeezles@me.com and she can give you other options.

Those wishing to join the Zoom Service by phone – Dial 0203 901 7895 or 0131 460 1196 You will be prompted to enter the meeting ID number followed by #. If prompted, enter the passcode number followed by #. If you dial by phone 📞 remember National rates apply and it may cost you unless you are on free calls.
